Praise and Prayer Requests for July 2024

INSTALLATION OF BOT-AC 2024-2026

The new set of officers for this biennium was installed on July 2. An exhortation was delivered by the Philippine Director of Worldwide Evangelization for Christ, Bro. Kaushic Biswas. He also officiated the ensuing oath taking.

The joint retreat of the Board of Trustees (BOT) and the Administrative Committee (AC) immediately followed to align the goals and targets for this biennium with the vision and goals of the organization as spearheaded by the Executive Director, Dr. Joseph Villafior.

We covet your intercessions for this new team so they may not only catch the vision but also think as ONE. Pray for wisdom and courage for these men and women as they provide leadership to the organization.

PRAY FOR THE SICK

Some of our members are getting stricken by cancer. Pray for them and their respective families, financial provisions for their treatment and the tasks assigned by the Lord of the Harvest to them.

Also pray for some who are taking care of a family member who has been sick for quite awhile and has been battling fatigue.
